FROM PASTOR DAVID

Dear Church,

For in him you have been enriched in every way—with all kinds of speech and with all knowledge— 6 God thus confirming our testimony about Christ among you. 1 Corinthians 1:5-6

Most people would like to be rich although, the reality is most of us spend our lives being drawn by money's demands, struggling to acquire enough money to live on, provide for our children, pay the rent or mortgage, make provision for our old age etc. But Paul here tells the Corinthian church that they have been enriched in every way. The Theologian Rick Jenner notes that the word 'enriched' is translated from the Greek word *plousios* and it is from this word that we get the English word 'plutocrat'. A plutocrat is a person whose wealth is multiplying at a such staggering rate, that they cannot work out how rich they are! Their wealth, investments, businesses and portfolio are so much that even though they employ an army of accountants and bookkeepers they cannot fully work it out. And so are we enriched in the spiritual realm, because when we got born again we became joint heirs with the Son of God, and because we are in Him our spiritual inheritance multiplies. As we grow in Him, we tap into the richness of our spiritual inheritance and begin to see our growth in mercy, wisdom, honour and grace etc. We indeed are rich and we need to continue to explore the depths of the riches we have in Christ. Life Church I encourage you to all to enjoy your wealth!

May God richly bless you

David

Be Encouraged...

For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, mutual affection; and to mutual affection, love.

2 Peter 1:5-7

'Knowing God leads to growth and godliness which leads to a genuine love for everyone ... I think that's beautiful xx'
